### OAC TOURNAMENT EDITION CHAMPIONSHIP GAME JOHN CARROLL UNIVERSITY vs. CAPITAL UNIVERSITY GAME NOTES & STATS

---

**JCU vs. Capital:** The John Carroll University Blue Streaks (19-8, #2 seed in the OAC Tournament) will face the Capital University Crusaders (18-8, #1 seed in the OAC Tournament) in the championship game of the Ohio Athletic Conference postseason tournament. This will be the 54th all-time meeting between the two schools. The Crusaders have a slim 27-26 advantage in the all-time series which dates back to the 1921-22 season. John Carroll has won eight of the last eleven meetings against Capital, but the two teams split the season series in 2006-07. John Carroll defeated Capital, 80-72, in University Heights back on December 9, 2006, while Capital won by an 89-82 count in Bexley on January 27.

**Postseason History:** This will be the third time these teams have meet in the OAC tournament. John Carroll won in the 1993 quarterfinal round (71-71) and in the 2003 championship game (94-86). Capital does have one postseason win over JCU, occurring in the 1983 NCAA Great Lakes Region consolation round when the Crusaders picked off the Blue Streaks, 75-64, when John Carroll was a member of the Presidents' Athletic Conference.

**The Blue Streaks At A Glance:** With 11 wins in its last 13 games, John Carroll owns a 19-8 record, including an 19-6 mark against Division III opponents. Two of the Blue Streaks' eight losses are to Division I opponents Loyola Chicago and Cleveland State. 17 of the Blue Streaks' 25 Division III games have been against teams that are either at .500 or have winning records. John Carroll will be making its fourth OAC Championship game appearance -- all of which have come in the last five years. The Blue Streaks are 2-1 all-time in OAC title games, defeating Capital in 2003 and Mount Union in 2004 before falling to Baldwin-Wallace in 2005.

**The Crusaders At A Glance:** Capital has built a head of steam as it prepares to host tonight's OAC Championship game. The Crusaders have won nine of their last ten games, with the only loss a four-point setback in overtime at Otterbein on Feb. 17. Capital has also been very tough to beat in the Capital Center, as it is 11-3 this season at home and has won seven in a row in its own building. The Crusaders are making their 46th tournament appearance in the OAC Tournament, where they own a 39-43 record. Capital will be playing in its sixth OAC championship games, having won titles previously in 1971 and 1984.

**About The JCU Head Coach:** Now in his 15th year as head coach, **Mike Moran** has guided the Blue Streaks to six Ohio Athletic Conference regular season championships, two OAC Tournaments and seven appearances in the NCAA Division III playoffs. In six different years, his teams have posted at least 20 wins. Among his collegiate honors are being named OAC Coach of the Year in 1994, 1998 and 2003, and Great Lakes Region Coach of the Year in 1998 and 1999. The most victorious coach in John Carroll's history, Moran owns a record of 270-142, including a mark of 178-90 in Ohio Athletic Conference regular games. He is one of just 16 coaches in the 100-year history of the league to win 200 games at an Ohio Athletic Conference institution, and his winning percentage places him among the top 15 all-time in that category as well.

**Happy 22nd:** Senior forward **Terry Walsh** will not celebrate his 22nd birthday until May 4, 2007, but he has run his streak of consecutive games scoring in double figures to 22 -- the longest active streak on the team. The 22nd game of that streak was arguably his most important, as his 23 points and 13 rebounds were both team highs in John Carroll's come-from-behind 76-69 victory over Baldwin-Wallace last night. The last team to hold him to under ten points was Emory & Henry on November 26, 2006.

**Flying Solo:** With Tyler Ousley of Otterbein and Tori Davis of Baldwin-Wallace ousted along with their teams yesterday in the OAC Semifinals, the only OAC player averaging better than 20 points and ten rebounds per game still competing in the OAC Tournament is John Carroll's **Brandon Mimes**. The senior forward begins play tonight averaging 20.0 points and 10.6 boards per contest.

**Johnny On The Spot:** Entering the OAC Tournament, junior **John Curran** had been averaging 5.6 points per game. But in two OAC Tournament games, Curran has responded with a season-high 16 points in the quarterfinals and 15 points against Baldwin-Wallace in the semifinals. In those two games, Curran was 9-17 (.529) from the field, 3-6 (.500) from three-point range, and 10-12 (.833) from the free throw line.

**Odds and Ends:** JCU is 12-0 this season when it makes at least ten steals in a game ... The Blue Streaks have a 10-5 record in games away from home against Division III opponents ... Including both OAC and NCAA Tournament games, the Blue Streaks have a record of 17-5 in their last 22 postseason games dating back to the 2002-03 season.

**Up Next for the Winner:** The winner of the Capital vs. John Carroll match-up will earn an automatic bid into the 2007 NCAA Division III Men's Basketball Championship. The loser will have to wait to see if it will earn one of the 18 at-large bids available nationwide.
